

AIPG – WI CHAPTER Conference Call Executive Board

Tuesday – July 27, 2015 (12:30pm – 1:00pm)

Attending: Chris Lilek, Paula Leier-Englehardt, Tom Kettinger, Dale Rezabek, Andy Graham, Jayne Engelbert.

Agenda

Review and approve June 29, 2015 Meeting Minutes

LIF/UVOST/HPT Demo for AIPG (Jayne):

Jayne is arranging to meet with the site owner. There was also a possibility of visiting the Baraboo Quarry. Spring 2016 is still the target date for the field trip.

2015 Ice Age Trail Work Day (Chris)

Oct 13-18 – Hartman Creek Segment, Portage & Waupaca Counties https://www.iceagetrail.org/wp-content/uploads/2015/01/PortWaup_HartmanCreek_general-20150211.pdf

Several people have signed up to work. We have the shelter reserved from 11 am to 2pm on Sunday, Oct 18 for our Section Get-together after working on the trail that morning. Remember that we committed to 100 hours of service to the Ice Age Trail this year.

Future Field Trip to Eden Stone – Valders Facility (Chris)

Paula said that she contacted Marty Biller and he is happy to have visitors, he asked how many (because the facilities space is limited). They have facilities in Eden and in Valders, and the Valders site is smaller and cannot handle as many guests and it has the “cooler” stuff (rock equipment), but they are shut down each Friday for maintenance, so it would be best to come on a week day. That would not be advantageous for student AIPG members from local universities to attend, but we will continue to work on that. Paula said a St. Norberts College professor (Tim Flood) knows Marty and has had his classes attend Valders before. The St. Norberts College Department Chair (Rebecca) said that the students are pretty busy during the week, Fridays would be best, but that would be a bad day at Valders because no equipment would be working. Marty said at Eden he can handle around 40 guests.

Quarry Quest (Chris)

Event on Sept 12, 2015 <http://quarryquest.com/about-us/>

Request vote on sponsoring the Limestone level \$250. Jayne motioned, Dale seconded, board voted to donate.

New Items

None

Next Scheduled Board Call

Monday – August 24, 2015 12:30pm to 1 pm (this meeting was not held, so next call was September 30, 2015)
